

# Simplifying Materials Handling

Aero-mechanical  
conveying solutions

# Meet the world's most versatile and efficient conveying solution

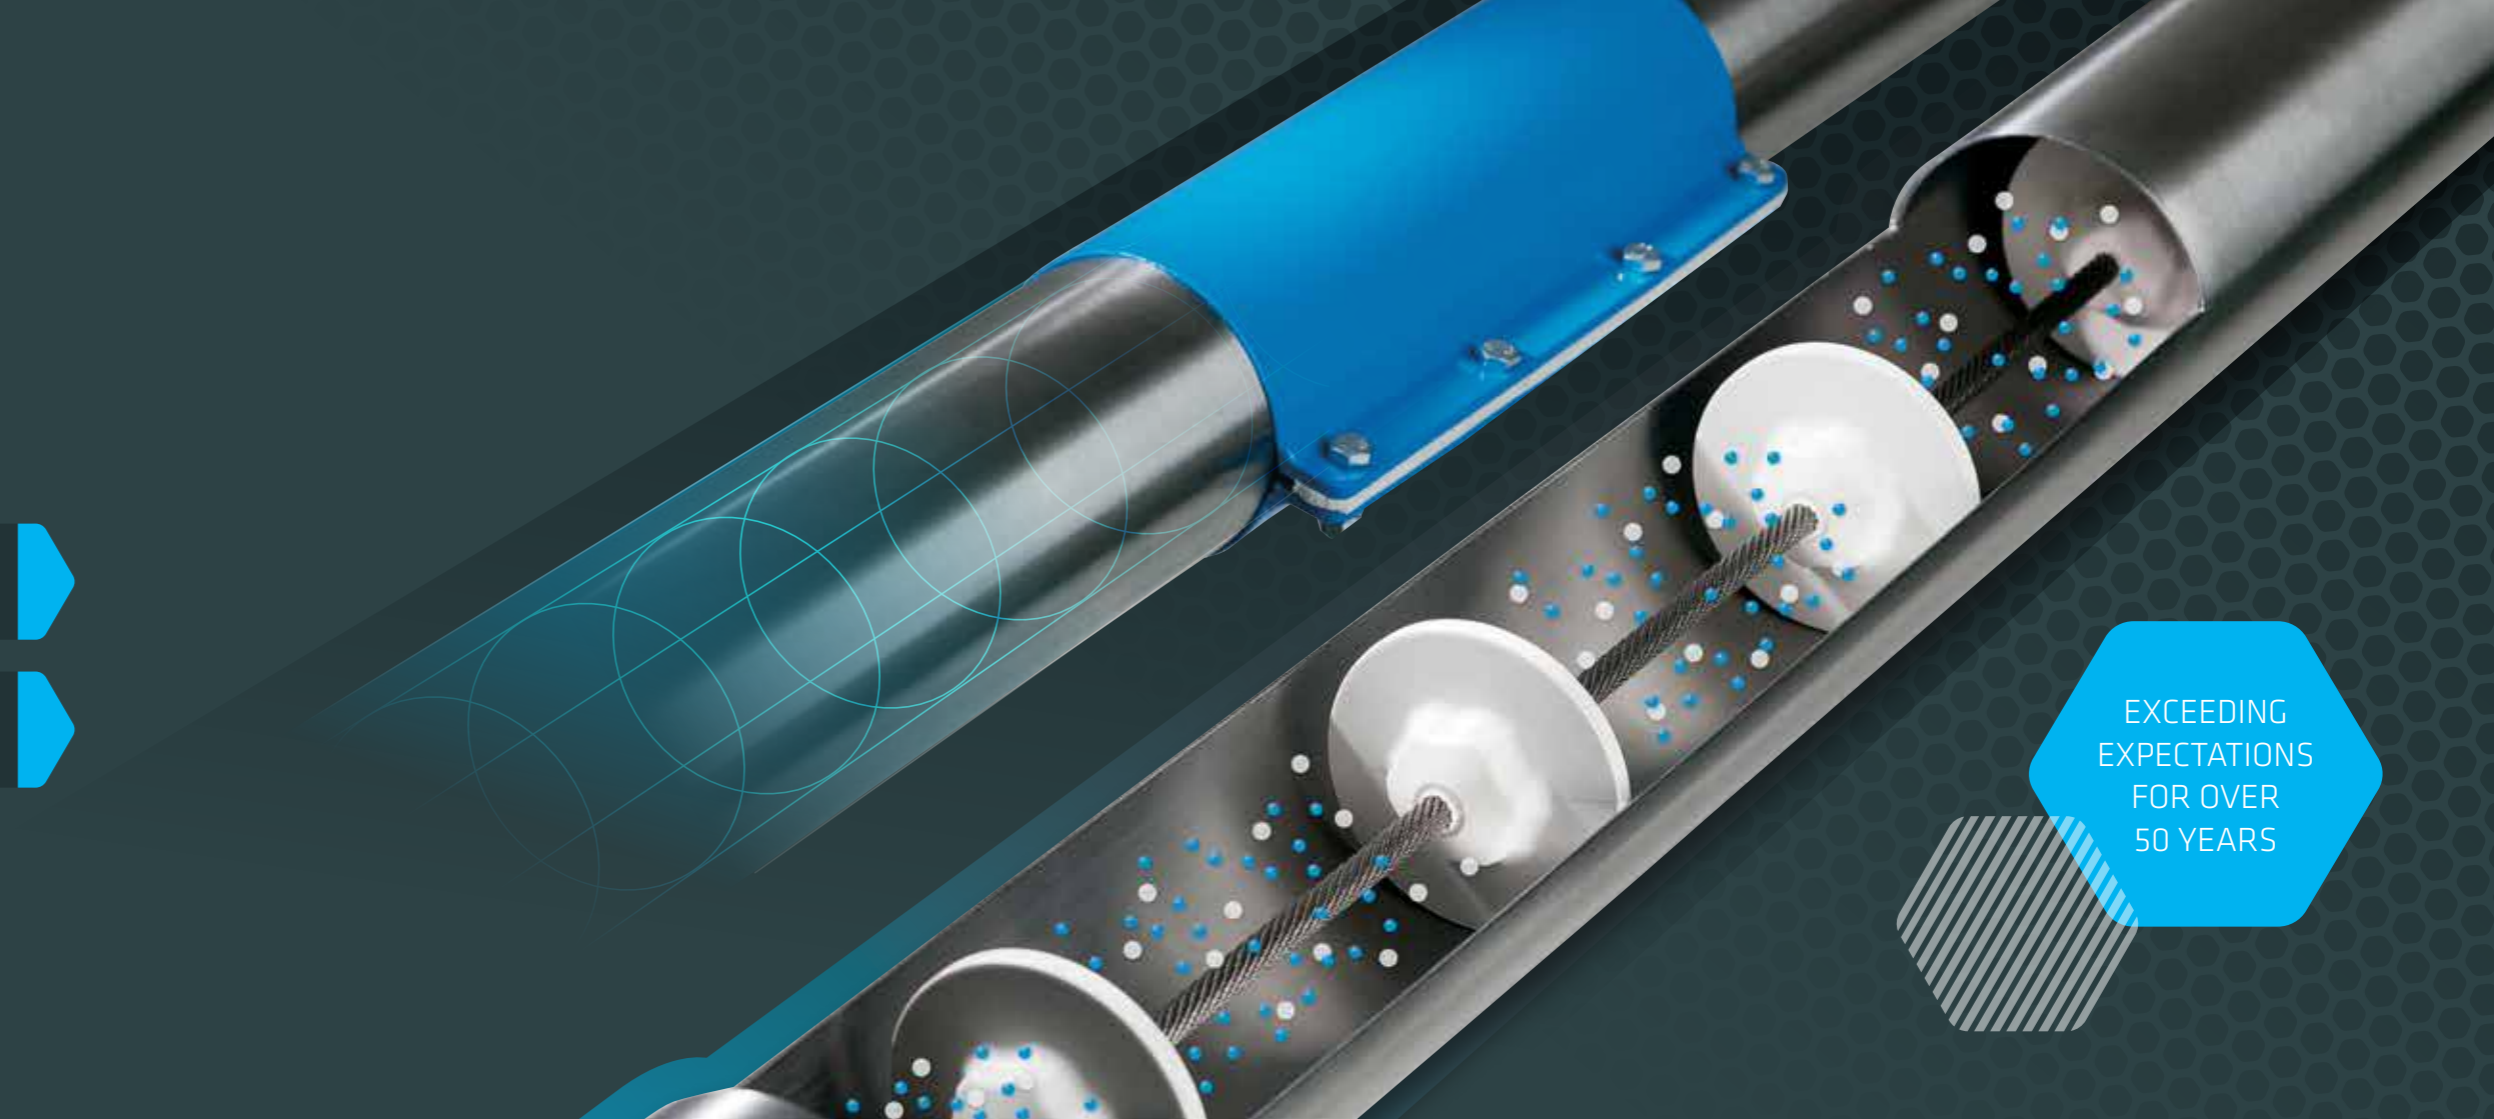

OPERATES AT LOWEST COMPARABLE COSTS ACROSS ALL INDUSTRIES

ELEVATES THOUSANDS OF POWDERS AND GRANULES EFFORTLESSLY

EXCEEDING EXPECTATIONS FOR OVER 50 YEARS

# Food for thought

Imagine a conveyor that's wet or dry cleanable, intrinsically safe and protects your products from contamination, delivers total batch transfer and operates dust free.

A close-up photograph of a man's face, looking intently at a small, yellow, oval-shaped seed or grain he is holding between his thumb and index finger. The background is softly blurred, suggesting an outdoor setting with natural light. The overall tone is warm and focused.

SYNONYMOUS  
WITH FOOD  
SAFETY SINCE  
THE '60S

# Fluid moves for challenging materials

Find an intrinsically safe, economical,  
solution to maintaining product integrity  
in hazardous applications.

INTRINSICALLY  
SAFE

ECONOMICAL

HIGH SPEED  
RELIEF FROM  
BULK HANDLING  
HEADACHES

# Famous for flexible, filter free efficiency

Get massive throughputs with minimal energy - easily installed modular design, operates at any angle.

MASSIVE  
THROUGHPUTS  
WITH MINIMAL  
ENERGY

EASILY  
INSTALLED  
MODULAR  
DESIGN

ADAPTS TO  
ANYWHERE,  
MOVES ALMOST  
ANYTHING

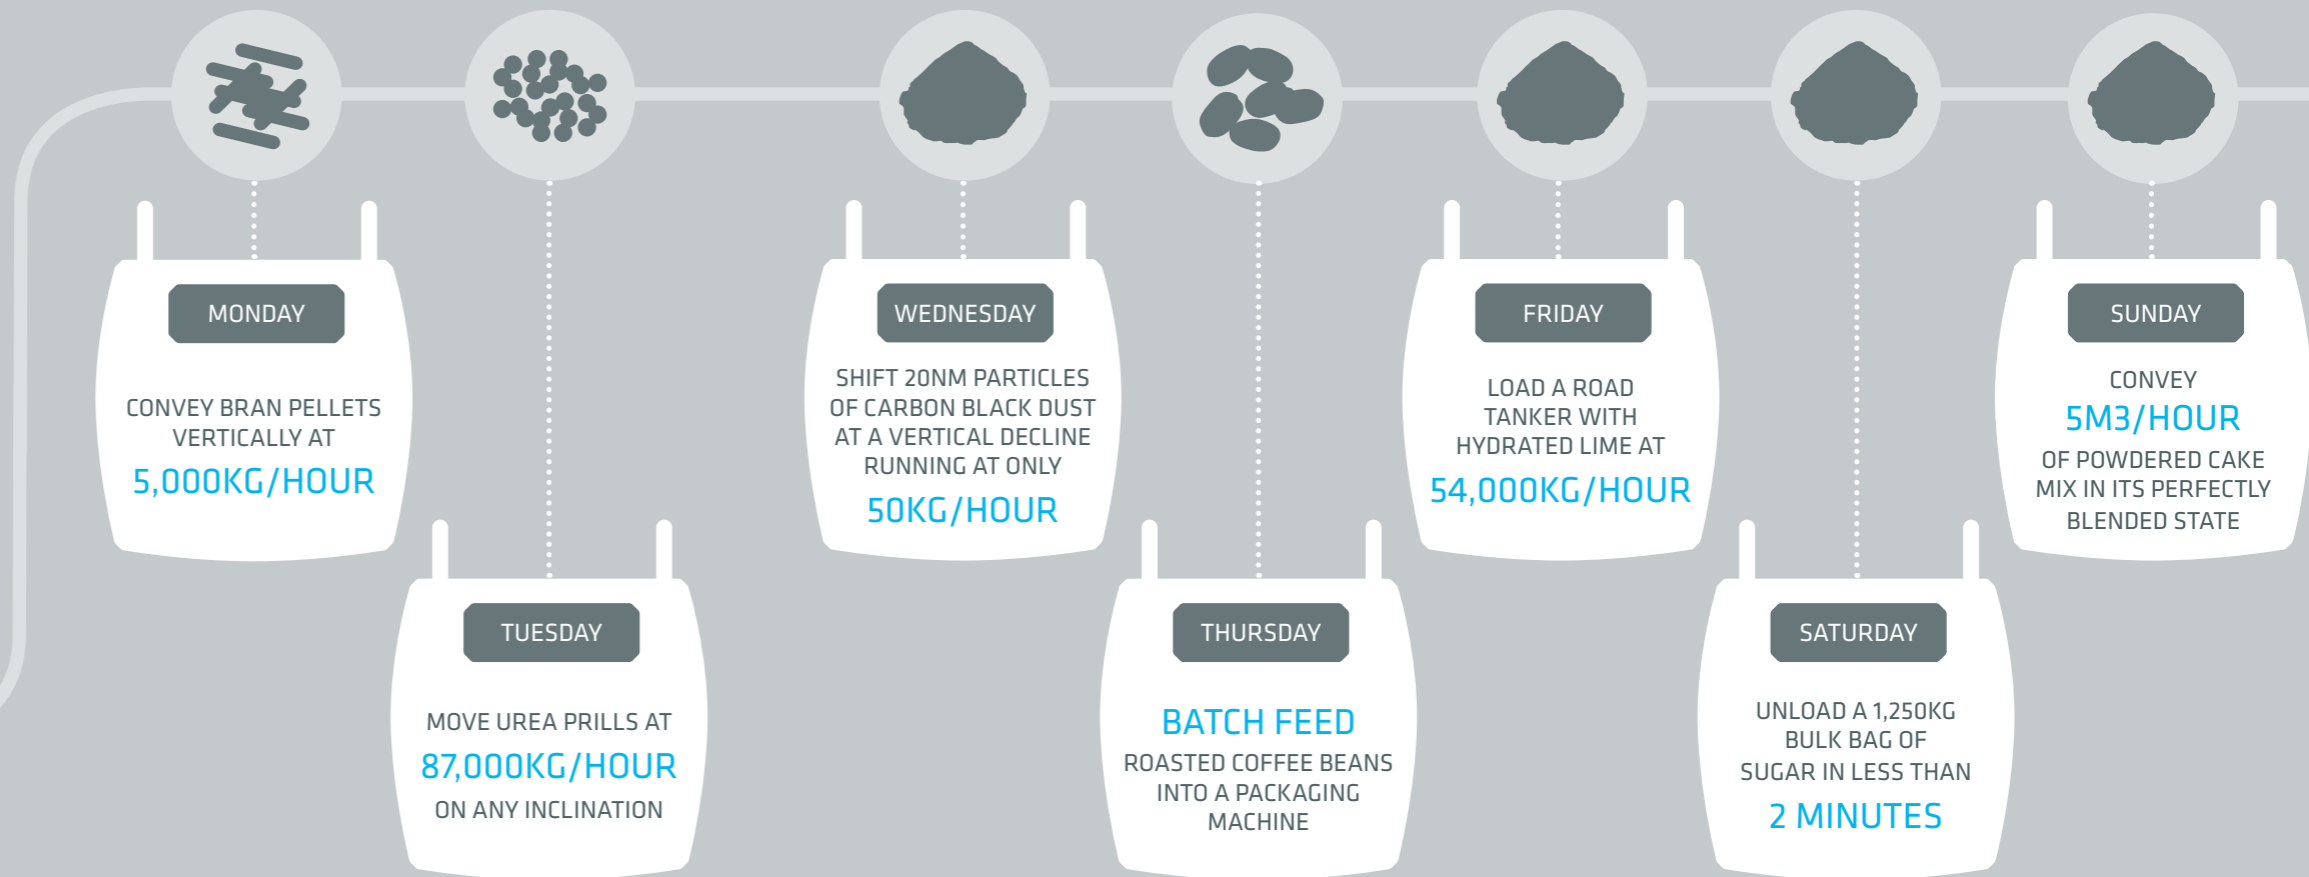

OPERATES  
AT ANY  
ANGLE

# Myriads of materials – only one Floveyor

Capitalise on Floveyor's characteristic versatility to schedule multiple material moves separated by a simple wet dry/clean and a rapid angle adjustment.

Perhaps a typical week for your flexible, flawlessly efficient Floveyor might look something like this?

# Floveyor fundamentals, industry innovations

We've refined Floveyor's distinctive core capacities to deliver on your exacting industry's demands. We exist solely to simplify conveying, this is why we're world leaders in materials handling across all of the following industries; food, chemicals, general manufacturing and logistics,

SIMPLIFIED  
CONVEYING

ADAPTATION  
IS IN OUR DNA

# Global network, local solutions

As world leaders in aero-mechanical conveying solutions, Floveyor installs perfectly integrated materials handling systems everywhere.

Join our growing global network of customers and industry partners and our team of materials handling specialists will back you completely, with technical and after sales support and extensive product training.
